1 November 1978

MEMORANDUM FOR: The Director of Central Intelligence
FROM : Presidential Briefing Coordinator
SUBJECT : Sea Lines of Communications

1. This paper is ready to be forwarded to the Under Secretary of the Navy for review.

2. My recommendation is based on my judgment that although the study could be improved in many ways, this does not merit delaying getting on with [redacted] in the meantime your reservations are stated clearly enough in the forward to defuse those problems which still exist.
